

Workshop

**Corruption Prevention: Integrating Corruption
Risk Management at the sectoral level**

Rabat, Kingdom of Morocco

15 March 2022

Programme

Overview

In collaboration with the Instance Nationale de la Probité, de la Prévention et de la Lutte contre la Corruption (INPPLC) in the Kingdom of Morocco, UNDP is organizing a national workshop in Rabat on 15 March 2022, entitled "Corruption Prevention: Integrating Corruption Risk Management at the Sectoral Level", as part of its regional project on Anti-Corruption and Integrity in the Arab Countries (ACIAC), implemented in partnership with the Korean International Cooperation Agency (KOICA).

This workshop, which is being held for the Authority's officials and its partners including state institutions, and civil society, aims to support the implementation of the UN Convention against Corruption, accelerate the achievement of the Sustainable Development Goals, by deepening participants' knowledge about the institutional approach to preventing corruption with specific examples at the sectoral level.

During the workshop, the Instance Nationale de la Probité, de la Prévention et de la Lutte contre la Corruption (INPPLC) will share their experience in implementing Corruption Risk Management. This will be followed by a presentation of the Sectoral Corruption Risk Management Methodology developed by the United Nations Development Programme (UNDP), considering the experiences accumulated at the national level, with a space devoted to an in-depth look at the case study of the existing cooperation between the Republic of Tunisia and UNDP in managing corruption risks, followed by practical exercises in small working groups.
