

Training Whistleblower's Office Staff on Standard Operating Procedures

Beirut, Lebanon

2 August 2022

Programme

Overview

The United Nations Development Programme (UNDP) is organizing a specialized training in Beirut, Lebanon on 2 August 2022 for the staff of the newly established Whistleblower's Reception Office. The training will be carried out by UNDP Lebanon's Country Office with support from UNDP's regional project on Anti-Corruption and Integrity in the Arab Countries (ACIAC), which is implemented in partnership with the Korean International Cooperation Agency (KOICA).

The session will provide in-depth training for the staff of the whistleblower's reception office at the Public Prosecution specifically on the standard operating procedures of handling requests and complaints, which were developed by UNDP at an earlier stage. This step is part of the efforts to progress Lebanon's implementation of the 2018 whistleblower protection law amended in 2021, all in line with UNCAC article 33.

The training will be delivered by specialized experts from Siren Associates and attended by the assigned staff of the whistleblower's reception office.
